LAURENS, S. C., AUGUST 4, 1915.

The Advertiser man paid a visit to the city power station several days ago, where he was shown the best crop of tomatoes he has seen this year. The vines were loaded with magnificent specimen of "tomato-dom."

You will have to "hand" it to the headline artist on the Greenville News on his use of slang. He speaks of one negro "engraving" another's face with a razor in the course of a sociable game of skin. It must have been an artistic job.

The congressional campaign has closed and a week from today we will know who will be in the second race. The campaign has been notably free from objectionable features. Without exception the candidates have conducted themselves in a praiseworthy way. Whether elected or not no one of them need feel that their labor has been fruitless, for it will be some consolation even to the defeated to know that their gentlemanly conduct won for them the esteem and friendship if not the votes of those who heard them. These six candidates have set a place for gentlemen's conduct that may well be followed by all who go before the people for soliciting votes.

The Advertiser is counting on its faithful friends of the past to send in the election returns next Tuesday night. The service that our friends have been giving in previous elections has been hard to improve upon and we hope that we will be treated to a like service again. We will receive returns by wire from other counties and will give our usual bulletin service.

CONFERENCE FOR COMMON GOOD.

Through the untiring efforts of those who have in hand the supervision of the educational interests of our county, there has been provided for the people of Laurens Saturday a "Conference for Common Good." The conference, as will be seen by reference to the news columns, will be held at Holmes Spring, in this city. It will convene at 10:30 o'clock a.m., and will be addressed by such eminent men as Congressman Lever, State Superintendent of Education J. E. Swearingen, Prof. W. W. Long and Rev. L. P. McGee. Let every citizen of our county who feels an interest in its educational advancement attend: the pupil in our schools that he may have his young mind and heart fired with new aspirations and higher ambitions; the farmer that he may receive suggestions that would aid him in attaining a greater efficiency in producing his crops; the business man, that he might prove his interest in the common good of the county; the professional man, that he might inspire by his presence others less fortunate than he. The conference will supply a fruitful source of inspiration and encouragement to all who may attend and we urge every one who can possibly do so to be present.

Pictures and Exhibits Wanted.

Any person in the city or county of Laurens who has an attractive place or exhibit of live-stock or agricultural products will confer a great favor upon this county and the A. C. L. Railroad by having it photographed and the picture turned over to Mr. C. H. Gasque at the freight station. The photos are to be used in a booklet being gotten out by Mr. C. A. Maul of The Atlantic Coast Line railway for the purpose of boosting this territory.

The Case of L. L. Cantelou.

The case of L. L. Cantelou, Clarendon, Texas, is similar to that of many others who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy. He says, "After trying a doctor for several months, and using different kinds of medicine for my wife who had been troubled with severe bowel complaint for several months, I bought a 25c bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using the second bottle she was entirely cured." For sale by Laurens Drug Co.

Navy, is spending his vacation with his parents and other relatives here. Mr. and Mrs. Creswell Putman and children, motored down from Easley and spent the week-end with Mr. Alex McCall and family. Rev. and Mrs. Truesdale and children, of Sumter, are visiting Mr. W. C. Curry and family. Rev. Truesdale occupied the pulpit here Sunday afternoon. His sermon was delivered with much force and eloquence and the congregation seemed duly appreciative. Mr. Truesdale will be in charge of the revival being conducted in the Methodist church at Gray Court this week.

As is the usual custom, the protracted meeting at this place will begin the second Sunday evening. The many friends of Mr. Will Willis were shocked to hear of his death which occurred at his home at about 2 o'clock Saturday morning. Mr. Willis' death was sudden and unexpected, he being in his usual health up to the time of his demise. The direct cause of his death was paralysis. The deceased was a substantial citizen, and a consistent member of Diale church. The remains were interred in the cemetery here at 10:00 o'clock Sunday morning, the funeral services being conducted by his pastor, the Rev. T. W. Munterlyn. Mr. Willis is survived by his immediate family.

Meeting of Trustees.

An urgent appeal is hereby sent out to the trustees of Laurens county. Realizing the grave responsibility; while at the same time realizing our lack of cooperation, I appeal for your presence at Laurens Court House Saturday, August 7th. Unless there is a growth among the trustees of the county in energy, in keeping in touch with the events of the school day, there is a possibility of the trustees failing to keep pace with the educational movements of the day. A good day is prepared for you. Will you take advantage of it? Let us awake, be up and doing.
